### **Cover Letter**

I have completed B.tech in mechanical engineering from Sharda university,India.I did internship in Shivam cement plant and got an opportunity to know about different processes and techniques involved in cement manufacturing process.I ma very much interested to expertise my knowledge in cement plant as i have already got some basic idea about it.since Jagadamba cement is one of the best brand of cement in Nepal,i would like to

be a part of it. Jagadamba Cement Plant may be the best place for me to gain and utilise the skills and experience which is beneficial for both this plant and me.
