Cover Letter

I am a fresher who holds a Bachelor degree in Mechanical Engineering from Uttarakhand Technical University , Dehradun India. Sir I am a flexible, hardworking, dedicated and honest person seeking a challenging career in an esteemed organization to grow professionally by strengthening my technical and analytical skills. My immediate goal is to gain as much exposure and experience at a firm like yours and finally to reach the top as I am prepared to work hard and sincerely. If given a chance, I would perform to the best of my ability even though I am inexperienced candidate. So if you provide me the opportunity to work with you I will prove myself best and use my knowledge and uplift the company towards the excellence.
