### Cover Letter

Dear Sir/Maam I am a well-qualified Engineer, who would be an excellent choice for any position or any suitable post related to my education and experiences. I have an ability to grow with a job, handle responsibility

and build positive relationships with work colleagues at all levels. My present employer is very satisfied with my work rate, and I am confident that I can bring the same level of high performance to your company. Please find the attached Resume. I hope that you will look favourably upon my application by recognizing my enthusiasm, talents in the field of Electrical Engineering or in TPM or Manufacturing Excellence activities and my future potential. I would dearly like to further discuss the scope of this position, with you in person, and would welcome the chance of a meeting. Thank you in advance for your time and consideration.
